

Crown of Life Christian

[REDACTED]

Our school district is excited to announce the launch of a new online service that will allow you to monitor your children's lunchtime purchases, track what your children have been eating for the past 30 days, make deposits directly into their meal accounts, transfer funds between students and have an email reminder sent to you when an account balance gets low. Student debit account deposits can be made through ACH payments or by credit card. Each child's account will be updated throughout the day with sales and payments.

In order to take advantage of this convenient new service, you will need to create a parent account. This requires you to:

1. Go to www.myschoolaccount.com.
2. Click "Create Account" on the top menu bar.
3. Fill in the required information on the "Parent Account Sign-Up page."
4. Choose Crown of Life Christian from the "School District" drop down menu.
5. Create a User ID and Password
6. Click the "Accept" box, and then click "Signup." An email will be sent to your email address that will contain a "verification code."

After you receive the "verification code" you may begin to add your children's information. To do this, you will need to:

1. Go to www.myschoolaccount.com and login using your previously created user ID and password.
2. Enter the "verification code" to verify your account and email address.
3. Begin adding your children's information according to the guidelines provided. You will need each of your children's student ID** numbers to add them to your account. Your child's id is, [REDACTED] - get ID from CLCA
4. After the students are added you will be able to view the lunch account activity and make payments to the student lunch account.
5. When making an ACH payment there will be a \$2.00 convenience fee charged and a \$2.00 fee for credit card payments on completion of the payments

Note: A parent account can be linked to many children, but a child can only be linked to one parent.

We urge you to take full advantage of this system by making deposits into your children's accounts on a weekly, monthly, or annual basis. You are free to choose the amount of each deposit.

Note: There will be a per transaction convenience fee associated with each deposit.

Any money that is not spent by the end of the school year will be available the following school year. If you have any questions about this or any other food service program, please contact the district Food Service Office at 920-563-2278.

Sincerely,

Cara Heagney
