

Charitable Giving from your IRA

Do you want to make a charitable contribution to CLCA but you're unsure how to during these volatile times?
Considered a QCD from your IRA?

HOW IT WORKS

You must be 70 and a half or older to make a qualified charitable distribution (QCD) from your traditional or Roth IRA to a qualified charitable organization like CLCA. That is also the age when you must begin taking distributions.

You can make a QCD of up to \$100,000 directly from your IRA to CLCA and it will be excluded from your taxable income.

Contact your IRA custodian and tell them to make a QCD gift to CLCA. Then tell us what fund or funds you want to support with your gift.

Your gift must be completed by December 31st to earn the tax benefit of the current tax year.

BENEFITS TO YOU

Your gift can be used to satisfy all or part of the Required Minimum Distribution (RMD) you must take from your IRA.

Your gift will reduce your taxable income, even if you do not itemize deductions

Your gift will go into the fund(s) that you choose, where it will work to support our mission at CLCA.

Please consult with your financial advisor to learn more about this smart way of giving.
