Crown Of Life Christian Academy News

Our Mission

Crown of Life Christian Academy exists to serve its community through the proclamation of God's Word, the pursuit of academic excellence, and the establishment of meaningful relationships with the children and families it serves.

- **CLCA is having a Media Day on May 2nd:** Mark your calendars! CLCA Media Day is coming up on Friday, May 2. Scholars should arrive in their best uniforms with neat, tidy hair—ready to represent our amazing school family! We'll be capturing photos and video throughout the day to highlight the heart of CLCA. Get ready to smile, shine, and show what makes our community so special!
- **Poetry & Physics in the Upper Grades:** Our **7th graders** just wrapped up a creative and expressive **poetry unit!** Each scholar compiled a beautiful poem book filled with original writings and illustrations. To celebrate, their classroom transformed into a cozy coffeehouse, complete with snapping applause during their poetry reading—setting the perfect vibe for their literary showcase. Meanwhile, **Mr. Lange's 8th grade science students** have been engineering and launching trebuchets as part of their physics unit. Here's what he shared with families: *"The construction of the five trebuchet teams has begun. We begin our test firing of the trebuchets this week. We have some technical and performance-based goals already set. There may even be a little light distance and destruction competition, as well."* Let the launching begin!
- **Preschool Special Guest Days:** We are thrilled to invite our preschool scholars' favorite grown-ups to Special Guest Day—a heartwarming morning filled with fun and connection!
 - **2K & 3K Special Guest Day:**
 - May 8th & 9th, from 10:00–11:15 AM. Each student may invite one special guest (parent, grandparent, aunt, uncle, or another important grown-up). If your child attends both days, please choose one day for their guest to attend and let your child's teacher know which day works best.
 - **4K Special Guest Day:**
 - May 9th, from 10:00–11:15 AM. Each student may invite one special guest to join in the celebration.
 - Formal invitations will be sent home next week—perfect for your child to hand-deliver to their guest! We can't wait to welcome our special visitors for a memorable morning of activities and smiles.
