- **AG DAY SUCCESS:** A big thank you to the Fort Atkinson FFA for visiting our campus last week on CLCA Ag-Day! High School FFA members spent about 30 minutes in each classroom, presenting a mini-lesson related to farming/agriculture in Wisconsin. Outside in the parking lot, they set up different animal stations, sharing facts about their animals and giving students time to interact and ask questions. We appreciate all the time and effort that goes into this type of day, so again - many thanks to the students and staff from Fort Atkinson High School and a shout-out to **Mrs. Thayer** for organizing and bringing her own love for FFA and farming to CLCA!
