KNIGHT NEWS

Crown Of Life Christian Academy News

Our Mission

Crown of Life Christian Academy exists to serve its community through the proclamation of God's Word, the pursuit of academic excellence, and the establishment of meaningful relationships with the children and families it serves.

- **Heaven in my Home:** On Sunday, March 26, a beloved member of our CLCA family, Andy Heine, was called home to heaven. Andy and his wife Danielle are the proud parents of Tarryn, a sixth-grade scholar at CLCA, alumni Gracyn and Rylan, and older son Cole. Andy's unwavering commitment to our entire community will be deeply missed, and we will forever remember his kindness, passion, helping hand, and humble leadership. We extend our deepest sympathies and condolences to Andy's family and friends, and we ask that you keep them in your thoughts and prayers during this difficult time.
- **Feed Your Soul Request:** Our Crown Community partners with our community to help in various ways. One way we give back is through our partnership with Feed your Soul, a non profit organization that makes a warm free meal every Thursday night for those who need one. They are looking for bakers or donors to donate 2 dozen cookies every Thursday night. Please let us know if you would like to sign up via a sign genius. Contact our school office or Mrs. Betty Cloute (920-563-8684).
- **Make and Take Workshop for Parents/Preschool Open Gym:** Parents, save the date for Saturday, April 1st (no joke) for a free phonological workshop. Mrs. Jessica Kuchta, a licensed Reading Teacher, will cover all the basics of phonological awareness. This workshop is intended for parents of children ages 2 - 6. Your kids will be able to run around in the gym during our preschool open gym. Please register by going to our facebook event or contacting the school office.
- **Make Mine Monthly:** As you know, CLCA is dedicated to providing a Christ-centered education to our students, equipping them with the knowledge and skills they need to succeed both academically and spiritually. However, we cannot do this alone. We rely on the generous support of our stakeholders to make this mission a reality. That's why we are launching a new campaign to find 300 monthly givers to support our school. Monthly giving is an easy and convenient way to support CLCA, and every gift makes a difference. Together, we can ensure that CLCA continues to be a beacon of light and hope in our community, providing a solid foundation for our students to build their lives upon.
