KNIGHT NEWS

Crown Of Life Christian Academy News

Our Mission

Crown of Life Christian Academy exists to serve its community through the proclamation of God's Word, the pursuit of academic excellence, and the establishment of meaningful relationships with the children and families it serves.

- **Vision Night Recap:** A huge thank you to our Crown Community for making Vision Night a memorable success! We are so grateful to everyone who contributed raffle basket donations, attended, participated, decorated, helped take down tables and chairs, encouraged kids to volunteer, sponsored, and more. Hosting an event like Vision Night truly takes a village, and without your incredible support and teamwork, it wouldn't have been possible. Together, we raised over \$70,000 (before expenses) to support CLCA's mission. Thank you for your continued dedication and generosity!
- **CLCA Employment Opportunities:** Crown of Life Christian Academy (CLCA) is hiring! We have immediate part-time openings for an After School Care Aide and a Student Support Aide for Lower Elementary. We're also seeking a K-8 Art Teacher to join our team starting in Fall 2025 (Bachelor's degree required). If you or someone you know is interested in working in a supportive Christian school environment, please reach out to our main office or learn more on our website.
- **Veterans Day Celebration Recap:** It was our privilege to welcome guests to CLCA, as together, we honored those who have served our country. We welcomed special guest speaker Joy Spears, a CLCA mom and U.S. Marine, who reflected on her time in active duty and delivered a beautiful message to our assembly on how we can live our lives in a way that respects and honors those who have served our country. Our second speaker, Natalie Popp, is a junior at Lakeside Lutheran High School and currently holds the title of Miss Madison Teen. Her service platform in this role displays her passion to talk with other teens about community involvement and the importance of thanking our veterans. She published a children's book in August (Lew for the Red, White, and Blue), inspired by her time spent with a 99-year-old Veteran named Lew. CLCA did purchase a book for our school library, however, books can be purchased at the website: <https://neverforgottenbooks.com/products/lew-for-the-red-white-and-blue>.
- **TDS Telecommunications- Teacher Recognition:** We're thrilled to announce that our very own Mr. Matt Schreiber was nominated for the TDS Telecommunications LLC Most Valuable Educator award! Congratulations to him and the other dedicated educators in our community for their commitment and hard work.
- **Junior Olympic Challenge:** In our first-quarter Junior Olympic challenge, the Green Team emerged victorious with the most donations for our Front Line service project, supporting our armed service members. Students from the Green Team pitched in to pack the care packages, which are set to be mailed out on Tuesday. Great teamwork and thanks to everyone who contributed!
