- We are so fortunate to have private music instruction for our students in band (Ms. Monson), violin (Mrs. Buschkopf) and piano (Mrs. Holcomb). It was wonderful to see these scholars from first through eighth grade displaying the the gifts God has given them. A special shout-out to the three eighth grade scholars - To Harper and Reid who both stepped up to try something new in their final grade school year (Harper- Violin, Reid-Saxophone) and to Haylee who has been a piano student with Mrs. Holcomb since 2nd grade. We thank them for helping to encourage younger scholars to get involved in the fine arts!
- **Student Leadership Council Training:** Our Student Leadership Council had an incredible opportunity to attend a student council training event on January 14 at the Fiserv Forum, the Bucks' arena, and MATC. Organized by the Wisconsin Association of School Councils, this event brought together middle and high school leaders from across the state to develop valuable leadership skills. The day concluded with an exciting Bucks game, offering a memorable experience for our student leaders to celebrate their growth and teamwork.
