## Crown Of Life Christian Academy News

### Our Mission

Crown of Life Christian Academy exists to serve its community through the proclamation of God's Word, the pursuit of academic excellence, and the establishment of meaningful relationships with the children and families it serves.

- **Glen's Pizza Fundraiser:** Back by popular demand, CLCA's Crown Community led Glen's Pizza Fundraiser. Glen's Market & Catering, out of Watertown Wisconsin, makes the pizzas fresh. There are several options, including gluten free pizzas. Have any questions, ask Mindy Witte atdmwitte@charter.net. Thank you, Mindy for your help with organizing this fundraiser!
- **Fine Arts Fair- April 6 and 7:** Fine Arts Fair hosted by Lakeside Lutheran High School in Lake Mills is right around the corner. This is a chance for our scholars (grades 5-8) to compete vocally and instrumentally. Mrs. Becker is working with the choir to prepare for the choir competition. Mrs. Holcomb is working with her seasoned piano students ready for competition and Mrs. Moore and Mrs. Becker are working with soloists and small vocal groups. We are excited for this opportunity to showcase our fine art talents! The performance schedule will be released shortly after Spring Break.
- **Vision Night, Thank you: *We are humbled, we are grateful, and we are blessed!*** Together, we raised \$75,000 at Vision Night. We set the ambitious goal to raise \$70,000 to fund AV and technology upgrades in our gym and commons area already in use. This is not just an investment in equipment; it's an investment in our students' future, enhancing their educational experience and enabling us to continue hosting events that bring our community together. Your generous contribution helped us meet our financial obligations, due in July. Together, we not only reached that goal, we surpassed it! Thank you for making Vision Night a testament to what we can achieve when we come together for the greater good of our students and our school. Thank you for your continued support and belief in our mission.
