KNIGHT NEWS

Crown Of Life Christian Academy News

Our Mission Crown of Life Christian Academy exists to serve its community through the proclamation of God's Word, the pursuit of academic excellence, and the establishment of meaningful relationships with the children and families it serves.

KNIGHT NEWS! *What a joy to know that 2025-2026 will be a year of learning and growing in God's grace. Enjoy this brief update on the happenings at CLCA.*

A Visit to the Capitol: Fourth-grade scholars brought their Wisconsin history lessons to life with a visit to the State Capitol in Madison. From touring the historic building to stepping inside the Assembly and Senate chambers, students gained a firsthand look at how state government works. It was a meaningful, real-world connection to everything they've been learning in the classroom.

Celebrating and Caring for Creation: Last week, we took time to celebrate Earth Day by recognizing God's beautiful creation in various ways. Thanks to a generous donation from Chad at Curb Appeal Design & Landscape, families were able to take home seedlings to enjoy. Students also shared their creativity through Earth Day-themed reader's theater performances, all rooted in the reminder: "In the beginning, God created the heavens and the earth."

WELSSA / WRISA Accreditation: This week, we had the pleasure of welcoming the WELSSA/WRISA Accreditation team to CLCA! As part of their visit, they observed classrooms and met with our staff while measuring our school against the standards of the accrediting bodies. Their feedback gives us a valuable opportunity to reflect, grow, and continue serving our families well.

Spring Recital - Band, Piano, Strings Our fine arts performances wrap up on Thursday, May 7. This will be a wonderful time for our piano, violin, and band scholars to take the stage and share their selected pieces for the final time this year. The recital begins at 6PM in the Berea gym. All are welcome!

Friends Network: Sarah Schoenfeld, a Friends Network missionary (and cousin-in-law to Mrs. Brown), is traveling to Korea with her husband and infant on their second missionary trip in Asia. Sarah recently visited CLCA to share more about their work serving alongside fellow evangelists, educators, youth ministers, and Bible teachers. May the Lord continue to bless these efforts to share His Word around the world!
