# KNIGHT NEWS

Crown Of Life Christian Academy News

**Our Mission** Crown of Life Christian Academy exists to serve its community through the proclamation of God's Word, the pursuit of academic excellence, and the establishment of meaningful relationships with the children and families it serves.

**KNIGHT NEWS!** What a joy to know that 2025-2026 will be a year of learning and growing in God's grace. Enjoy this brief update on the happenings at CLCA.

- **New Year, Same Jesus!** A new year brings fresh beginnings, and at CLCA, we are thankful to start it grounded in the unchanging truth of Christ. New Year, Same Jesus—the One who shows us the way, teaches us His truth, and guides us in all we do. As we move forward together, may our days be filled with His joy, peace, and purpose. Happy New Year from your CLCA Family!
- **The Blessing of Giving to Others:** Our second quarter Junior Olympic service project was in partnership with the Jefferson County Christmas Neighbors. Last month, scholars from both campuses brought in requested goods that would help brighten the Christmas holiday for families in need. Mrs. Holzhueter and Mrs. Thayer packed up the items and delivered them, along with members of our student leadership council. Paul reminds us of Jesus' words in Acts 20:35: "It is more blessed to give than to receive."
- **Winter Sports in Full Swing!** January and February are busy months for our CLCA winter athletes. We take a moment to thank our 15 basketball and cheer coaches, all of whom are parent/family volunteers, as well as our Athletic Director, Mr. Mark Holcomb. The coordination of schedules, communications with other schools, and training of young athletes is time-consuming and grace-requiring. We are so blessed to have Christian servants who are committed to these extracurriculars and excited to help our scholars grow as young Christians both on and off the court. GO KNIGHTS!
- **Thrivent Grants for 2026:** With the new year, Thrivent members are once again eligible to apply for two new grants. These grants are a tremendous blessing to CLCA, helping offset the costs of hosting events and programs for our school community.
