KNIGHT NEWS

Crown Of Life Christian Academy News

Our Mission Crown of Life Christian Academy exists to serve its community through the proclamation of God's Word, the pursuit of academic excellence, and the establishment of meaningful relationships with the children and families it serves.

KNIGHT NEWS! What a joy to know that 2025-2026 will be a year of learning and growing in God's grace. Enjoy this brief update on the happenings at CLCA.

Hats Off to our 1st-4th Graders: Hats off to our 1st-4th graders and their teachers for a wonderful performance of HATS! From clever rhymes and catchy songs to a heartwarming message, our scholars reminded us that it's not the hat that makes someone special — it's the person underneath. We are so proud of all their hard work and shining smiles!

Track & Field Update: The track season is off and running (and jumping and throwing!) as our CLCA Knights competed in their first meet of the season this past Saturday. We are grateful to the Lakeside Lutheran track team for allowing us to use their facilities and for hosting such a well-run meet. Our Knights finished in 4th place and look forward to giving their best efforts again this Saturday at the conference meet at Fort Atkinson High School.

Teacher Appreciation Week: As an academy, we pause to thank God for the incredible teachers He has blessed us with. Not only are they gifted educators, but they also faithfully support our mission and reflect Christ's love in the way they serve and guide our scholars each day. Please join us in praising God for these dedicated individuals and the many ways they bless our school families.

Burgers and Sundaes, and Treats, Oh My: Our final Crown Community Dine Out is certainly a favorite! Wed's Hamburger Stand and Ice Cream Parlor in Jefferson will be donating a portion of their proceeds back to CLCA from 11 AM - 8 PM! Thank you for this generous offer and a shout-out to all the restaurants who hosted us this year!

Music is in the Air: Thursday, May 7, marks our final recital of the year, featuring performances by our piano, violin, and band students. While it is a bittersweet final recital for 8th graders, we are also excitedly looking ahead, as our 4th graders recently had the opportunity to try out the band instruments and discover what they might enjoy playing if they join band in 5th grade!
